

Student Focus:	A diverse, social, and emotional learning program designed to make a positive impact on the way students learn, share, and work together in a diverse community.
Objectives:	Provide reading, hands-on learning, STEM, motor skills, and project-based programs to students in grades 5-9. To expose students to African American resources and to the African American artifacts in the museum.
Books Read:	Diverse genres. Stress the importance of reading biographies and other nonfiction literature.
